Re: AGC of California 26<sup>th</sup> Annual Construction Safety Excellence Awards Finalist

Dear John,

**Congratulations! Your company has been selected as a finalist in the 2013 AGC of California Construction Safety Excellence Awards Program.**

Finalist companies are invited to give *live presentations* to a team of external judges, all key leaders in construction safety.

Each company will have 15 minutes to present the key elements of their Safety Program, followed with 5 minutes for a Question-Answer session with the judges. Please allow 30 before your scheduled Presentation Time to check in.

This process will determine the final ranking in each of the categories, and is modeled after the AGC of America awards format. The intention is to foster an extra element of success for our contractors, when competing at the national level Construction Safety Excellence Awards.

Presentation Time: **September 12<sup>th</sup> at 1:00 PM in Room 2**  
Specialty Division: Under 500,000 Worker Hours

Location: Sheraton Grand Sacramento  
1230 J Street  
Sacramento, CA 95814

Once again, congratulations on being named a finalist in the AGC of California Construction Safety Excellence Awards Program, and we look forward to seeing you on September 12<sup>th</sup>. Please feel free to contact the AGC Safety Office at (916) 371-2422 with questions

Sincerely,
