

FOR IMMEDIATE RELEASE

March, 2014

Lyles Mechanical Co. Receives First Place - 2013 MCAA Award for Safety Excellence

Scottsdale, AZ (Mar. 12, 2014) - At the 2014 Annual Awards of Excellence Event held on March 12th, Lyles Mechanical Co. (LMC) was awarded first place in the 100,001 to 250,000 work hours division. LMC President John Sloan was in attendance to accept this prestigious award on behalf of every LMC employee.

Every owner and general contractor that LMC works with receives value from the culture of safety that LMC brings to each project. This manifests itself in several ways, including lower labor rates through reduced insurance premiums as well as avoiding the time consuming and production lowering impacts of accidents and injuries on jobsites.

Lyles Mechanical Co. provides design and construction services on a variety of projects to a wide range of clients utilizing design/build, design/assist, design/bid/build and Construction Manager at Risk project delivery methods. For a detailed review of LMC's capabilities and how LMC can add value on your next project please visit www.lylesmc.com.
